

WORKING TOGETHER

**to help grow the agricultural sector
and rural businesses.**

UNITED AGENTS

The alliance of CKD Galbraith and United Auctions provides a fully comprehensive service to the agricultural sector and rural businesses.

CKD Galbraith took over McDonald Fraser (the land agency division of United Auctions) in 2007. With 12 offices throughout Scotland, CKD Galbraith has local knowledge and national coverage.

We have achieved a number of successful farm sales & purchases since 2007 on behalf of UA clients.

We are proud to have been the principal advisors to United Auctions in the construction of their new mart - and new group headquarters - the Stirling Agricultural Centre.

Located in the heart of Scotland, just off J10 of the M9, the new Centre has great facilities & good transport links, providing easy access for farmers throughout Scotland.
